Dear Friends,

Greetings!

It is time for consolidation leaving behind the struggles. We are into the phase of re-energizing New Delhi YMCA, its Mission, and it's Business.

2020-21 shook the entire world and gave fear of a long struggle. In 2021-22 NDY did not leave any stone unturned to sustain itself and now in 2022-23, NDY moves forward towards consolidation.

After a gap of two years due to the pandemic, the 90 minutes light and sound pageant, Mighty Acts of God, is being planned for LIVE Performance. I request the membership, especially the youth in particular and the old to take out time and join the Pageant. One can be part of the cast or the production unit.
