GENERAL SECRETARY & CEO SPEAKS

FROM THE OFFICE OF THE PRESIDENT

Dear friends,

Greetings!

It is the end of another year, and 2022 has not passed without challenges. Nearly two years into a global pandemic, we are still working our way to a "new normal." Even with such challenges, we hope you and your family are happy and healthy and able to count many blessings.

We would like to take this opportunity to thank you for the trust you have placed in us. Our members, beneficiaries, clients, partners, and employees are vital parts of our Mission & business, and we are proud of the entire NDY family. Strong partnerships make it possible to pass through storms, and I could not be more pleased with our team who have been immensely committed.

We have been able to conduct all Mission programmes and grow our business and revenue-generating efforts. The year 2022-23 is shaping up to be a strong year in terms of Mission and Finances. All programmes in November and December as reported in the Newsletter were well attended and responded to. The Carnival 2022 to support the rural community and girl child in particular held on 11 December saw over 7000 people participating. We are proud for having provided leadership and support in setting up two new YMCAs to strengthen the North India Region of YMCAs i.e. YMCA Nainital, Uttarakhand, and YMCA Palwal, Haryana.

Regards  
Mark Clive  
GS & CEO

Dear Members,

Greetings in the Name of our Lord and Savior Jesus Christ.

As we enter into the New Year, I extend my greetings and appreciation to all our members and their families. We are at the threshold of the year where the memories of the past year are still afresh and the path to the future is in front of us. As I look back into the year which has passed I remember the bittersweet moments that have paved the path of the New Delhi YMCA. Though we are out of the Pandemic, the reminiscence of the memories is still in our minds. We had moments of mourning and we had our share of laughs. In all these things two things remained prominent and constant: the Blessings of our God all mighty and the continuous support of our strong membership.

A lot has been achieved and a lot has to be done in the coming days. The New Delhi YMCA after a gap of more than two years came together to organize and witness the most sort after programmes "The Carnival". I thank our New Delhi YMCA family for supporting the cause. We witnessed the unparalleled presence and support of our members, making the programme a well-remembered programme. The Christmas celebrations at the New Delhi YMCA brought the message of every present mercy of our Lord and Savior Jesus Christ which is ever-present with us.

Now we have the new year in front of us. A New Year with new challenges and renewed hope.

I am sure that our members will continue lending their guidance in strengthening and reshaping the New Delhi YMCA, equipped and ready for the ever-changing world.

May God continue to bless us and our families.

Felix Fernandes  
President

The New Delhi YMCA, Greater Noida Programme Centre (GNPC) organized the Christmas Cantata on 17th December 2022 at 11:00 am onwards in the Auditorium. It was a moment of great joy for all of us to celebrate Christmas with the people of Greater Noida. We had a gathering of nearly 200 people who witnessed the Christmas Cantata which was performed by the children of Integral Youth Fellowship (IYF). The programme started with Praise and Worship by the Harvest Mission College, Greater Noida who sang some melodious Christmas Carols and made the atmosphere really vibrant.

The Opening Prayer was said by Rev, Elijah from the Assembly of God Church which was followed by the Welcome address by Mr. Ashish Thorat, Associate General Secretary, New Delhi YMCA.

The Christmas Greetings were brought by Dr. Sanjeet Singh, Vice President, New Delhi YMCA & Chairman, Greater Noida Programme Centre. In his address, the Chairman shared his happiness to be present for the programme and 'Thanked' the team of IYF to have accepted the invitation to perform the Christmas Cantata at Greater Noida.

There was a Little Santa Dance performance by the children of IFY wearing Santa costumes which made everyone cheer the children during their performance. It was so wonderful to see the children who were full of energy dancing to the songs of Santa.

The introduction to the Christmas Cantata was given by Ms. Namita of IFY who informed us that how they were able to bring all 75 children together and the time and the hard work that went into the preparation of this beautiful presentation. The lights, costumes, props, music, direction etc. need a lot of patience and dedication to put up a grand performance of this magnitude which is complete team work.

The Christmas Cantata was a musical complimented with light and sound and had a cast of around 75 children taking us back to the time when Jesus was born. The story started about 2000 years ago when an angel named Gabriel appeared to a young Jewish woman named Mary. Gabriel told Mary that she would have a son who will be called Jesus, the Son of God!

It showed how Mary and Joseph, travelled to the city of Bethlehem to register for a census ordered by the Roman emperor, Caesar Augustus. When Joseph and Mary reached Bethlehem, there was no place for them to stay and they ended up spending the night in a stable where Mary gave birth to Jesus.

Sometime later, wise men, from the east saw a star in the sky and they followed the star to the place in Bethlehem where Jesus was born. They found Mary and Jesus in the house and knelt down to worship Him. They brought Jesus gifts of gold, frankincense, and myrrh.

The complete story of the birth of Jesus was very well directed and enacted by the children and the Cantata took us back to the times to visualize how and under what circumstances Jesus was born. It was a show which was worth watching and was really appreciated by everyone. There was also a message by Mr. Paul Song in Korean which was translated by Ms. Marylyn in English based on the story of the Prodigal Son.

The Christmas Message was delivered by Pastor Rajesh Anand from The Gospel Church of Jesus Christ who made us realize the importance of Christmas in today's time. In his message, he talked about the brotherly love that we all should share and also gave his testimony and how Jesus helped him to transform the lifestyle that he was leading. He also told the congregation that the time is not far when Jesus will come so we all have to spiritually prepare ourselves to welcome Him in our lives.

We also had a congregational hymn 'Joy to the World' which was led by the students of Harvest Mission College.

In the end, the Vote of Thanks was proposed by Mr. Rajeev Singh, Assistant General Secretary, Greater Noida Programme Centre. The presence of the following dignitaries was recognized by the AGS, GNPC and thanked for their presence, guidance and support for the programme, Dr. Sanjeet Singh, Vice President, New Delhi YMCA & Chairman, Greater Noida Programme Centre, Mr. Aloke Michyari, Board of Director, Mr. Prakash Manwar, Board of Director, Mr. Anugrah Das, Board of Director, Mr. K Vinod Das, Vice Chairman, Greater Noida Programme Centre, Mr. Saiju Verghese, Vice Chairman, Social & Human Department, Mr. Amit Perishad, Committee Member, Greater Noida Programme Centre, Mr. Ashish Thorat, Associate General Secretary and Mr. Feroze Khan, Secretary, New Delhi YMCA.
