SCOPE OF WORK

COMPREHENSIVE ANNUAL MAINTENANCE CONTRACT FOR COMPUTER SYSTEMS

1. PURPOSE & SCOPE

a) The Customer hereby appoints the Service Provider to provide a Comprehensive Annual Maintenance Contract (AMC) services—including preventive maintenance, corrective troubleshooting, incident remediation, and dedicated technical manpower comprising **three (3) Technical Personnel**—for Desktop Computer Systems, All-in-One PCs, Laptops, Apple Mac assets, Network infrastructure, Enterprise Printers, power backup systems, audio-visual (AV) setups, and associated peripheral hardware deployed across following NDYMCA facilities:

i. New Delhi YMCA, 1 Jai Singh Road, New Delhi - 110001
ii. YMCA Public School, Rahim Khan Road, near Post Office, Nizamuddin East, New Delhi - 110013
iii. YMCA Greater Noida Programme Centre, Opposite Jaypees Golf Course, Greater Noida, Uttar Pradesh - 201310
iv. CDC Sunlight Colony at Basti Vikas kendra, Sunlight Colony, Old Seemapuri, New Delhi - 110095
v. CDC Savda Ghevra at Basti Vikas Kendra, G block. Savda Ghevra, JJ colony, near Ghevra Gaon, New Delhi - 110081
vi. CDC Daya Basti at 19/276, Sarai Basti, Near Usha Mata Mandir in front of MCD Primary School, New Delhi - 110035
vii. CDC Kalyanpuri at 18/282, kalyanpuri, New Delhi - 110091
viii. CDC Karpoori Thakur at Basti Vikas Kendra JJ Camp, Karpoori Thakur Srinivaspuri, New Delhi – 110065

b) The Service Provider shall ensure that the services are available at all the above locations and shall not charge any additional amount for visits, labour, transportation or other services covered under this Agreement.

c) The scope of coverage encompasses hardware diagnostics, component-level motherboard repair/replacement, memory (RAM) replacement, solid-state drive (SSD)/hard disk drive (HDD) replacement, power supply unit (PSU) replacement, Windows/macOS operating system deployment and reinstallation, general-purpose software installation, configuration & user support, driver management, endpoint security (virus/malware removal), local area network (LAN) patch maintenance, structured cabling troubleshooting, printer servicing, uninterruptible power supply (UPS) maintenance, Audio-Visual (AV) setup support (projectors, displays, microphones, webcams, digital cameras, conference room systems), service call logging and follow-up of under-warranty IT equipment, on-site/on-call end-user IT helpdesk support, and any routine IT maintenance or end-user support task reasonably within the technical domain of the deployed Resident Engineers as assigned by NDYMCA's management.

Mangala Singh 7/11/26

d) All parts, components, repairs and services expressly covered under this Agreement shall be provided without any additional charge to NDYMCA, except for the items expressly excluded under Clause 6 and subject to NDYMCA's prior written approval wherever a chargeable item is involved. No additional charge shall be payable merely because a repair or replacement is required.

e) Nature of Contract: This shall be a fully comprehensive AMC encompassing all replacement spare parts, component-level repairs (motherboards, RAM & power supplies), internal hardware components, and the repair of printers, UPS units, network switches, and AV hardware, **EXCLUDING CONSUMABLES** (as explicitly defined in Clause 6).

f) Logistics & Service Management: All logistics, transportation of faulty/repaired equipment, and on-site service visits across all covered NDYMCA facilities shall be managed, coordinated, and fully borne by the Service Provider at no extra cost to NDYMCA.

g) All such services and expenses shall be included in the AMC charges, and no separate amount shall be payable by NDYMCA. The Service Provider shall remain responsible for the safe custody of equipment while it is in its possession or control and shall repair or replace, at its own cost, any loss or damage caused by its negligence, mishandling or breach of this Agreement.

2. INVENTORY & COVERED EQUIPMENT SCHEDULE

3. TECHNICAL EVALUATION & CALL LOGGING SYSTEM VERIFICATION

a) **Call Logging System Verification:** The Service Provider's web-based and/ or mobile application-enabled **Call Logging & Incident Tracking System** must undergo technical verification and operational demonstration to NDYMCA's IT Department.

b) **Portal Functional Requirements:** The Service Provider's tracking portal must support:

i. Ticket id generation upon email registration or phone call logging.
ii. Real-time ticket lifecycle status tracking (Open, Assigned, In-Progress, Escalated, Resolved, Closed).
iii. Automated SLA timer tracking with threshold breach warning alerts as per

requirement.

iv. Generation of monthly performance, hardware uptime, and incident resolution audit reports.

4. RESIDENT ENGINEERS & DEPLOYMENT TERMS

a) Deployment Allocation: The Service Provider shall deploy **three (3) full-time, dedicated Resident Engineers (REs)** on-site exclusively at NDYMCA, 1, Jai Singh Road premise:

i. **System Administrator (One):** Responsible for server/network infrastructure health, macOS & Windows domain configurations, firewall/antivirus management, ISP leased-line & broadband breakdown coordination, network switches (managed/ unmanaged/ semi-managed) and Wi-Fi router configurations, OEM/vendor call logging & tracking for under warranty systems, software licensing, AV setup for online/offline meetings & conferences, IT asset inventory management, preventive maintenance supervision, and liaison with NDYMCA's IT Head.

ii. **IT Support Engineers (Two):** Responsible for user desk support, desktop/laptop/AIO/Mac troubleshooting, peripheral/ accessory replacements, preventive maintenance, OS & software installations, end-user assistance, cabling patch maintenance, printer roller/jam clearing, Network Switches & Wi-Fi connectivity resolution, and occasional late-evening operational support (up to 2 hours) for official meetings/events. Overtime/late stays shall be pre-approved by NDYMCA IT Department. Overtime/late travel conveyance shall be reimbursed at pre-agreed rates.

b) Qualification & Interview:

i. **Qualifications & Personnel Standards:** The System Administrator supplied by the Service Provider must possess a minimum of 4–5 years of relevant hands-on experience, while IT Support Engineers must possess a minimum of 2–3 years of hands-on technical experience. All engineers must hold a Degree/Diploma in CS, IT, or ECE, alongside vendor certifications (Microsoft, Cisco, or equivalent preferred). Deployed personnel must demonstrate functional proficiency in general-purpose software packages (MS Office/Office 365, Adobe suite, media editing tools, enterprise antivirus) and web conferencing tools (e.g., Google Meet).

ii. **Interview:** Proposed RE candidates must undergo a technical evaluation and personal interview by NDYMCA's IT Department prior to deployment. NDYMCA reserves the absolute right to accept or reject candidate personnel.

c) Working Hours, Holidays & Attendance:

i. REs shall be stationed on-site from 9:30 AM to 5:30 PM (Monday to Saturday). NDYMCA holiday rules shall apply.

ii. REs must log daily attendance via NDYMCA's designated gate entry register.

iii. **Absence & Replacement Protocol:** In case of RE leave or absence, the Service Provider must deploy an equally qualified temporary replacement on the same day. If an RE's performance or conduct is deemed unsatisfactory, NDYMCA shall issue written

notice, and the Service Provider shall replace the engineer within forty-eight (48) hours.

5. SERVICE LEVEL AGREEMENT (SLA) & TIMELINES

a) Operating Hours: 9:30 AM to 5:30 PM, Monday through Saturday (excluding declared NDYMCA national/institutional holidays).

b) Resolution Response Matrix:

i. **Ticket Registration:** Immediate logging of all service requests (within 1 hour) via a centralized, tracked ticketing portal.

ii. **Acknowledgement & Initial Response:** Within an hour of ticket registration for NDYMCA Jai Singh Road Campus and within 4 working hours of ticket registration for all other designated NDYMCA campuses.

iii. **Operating System, Driver & Software Support:**

- **Scope:** Diagnosis and resolution of OS errors, OS deployment/re-installation, driver updates, and general-purpose software configuration tasks.
- **Resolution SLA (Jai Singh Road Campus):** Within **16 working hours** of ticket generation.
- **Resolution SLA (Other Campuses):** Within **20 working hours** of ticket generation.

iv. **Critical Hardware Classification:** Core network switches, servers, and all non-lab executive workstations and laptops (excluding external accessories, keyboards, mice, printers, and UPS units) are classified as critical hardware.

v. **Standby Hardware Deployment:** For all hardware failures the Service Provider shall supply and deploy fully functional, temporary standby equipment to ensure seamless operational continuity. Standby deployment must occur within **8 working hours** of ticket generation for the NDYMCA Jai Singh Road Campus, and within **12 working hours** for all other designated NDYMCA campuses.

vi. **Hardware Replacement Standards:** Any replaced component or hardware must be of the same or equivalent make and specification. Substandard or refurbished replacements are strictly prohibited. Replacement storage drives (HDDs/SSDs) and RAM modules must not have a manufacturing date older than 3 years from the date of replacement, except where legacy hardware architecture (such as Core 2 Duo systems or specialized legacy servers) strictly requires older generation, end-of-life memory or interface standards. In such cases, tested refurbished components with a minimum 6-month vendor warranty may be deployed subject to explicit prior written authorization from NDYMCA IT Department.

vii. **Hardware Repair Resolution SLA:** Where temporary standby hardware has been deployed, original equipment repair or final replacement must be completed within five (5) working days for Jai Singh Road Campus and six (6) working days for all other campuses.

c) Preventive Maintenance (PM):

i. Mandatory Quarterly PM Visits shall be conducted during the second week of each

quarter.

ii. PM Scope includes internal dust cleaning, HDD/SSD health diagnostics, OS security patch updates, antivirus updates, UPS output/ battery health verification, and printer roller cleaning.

iii. Completed PM reports must be verified and signed off by NDYMCA's IT department.

6. EXCLUSIONS (CHARGEABLE BASIS)

The following items are explicitly excluded from free replacement under this Comprehensive AMC and shall be provided on a separate chargeable basis upon NDYMCA's prior written cost approval:

a) **Printer Consumables:** Toner cartridges, imaging drums, ink bottles, ribbon cassettes.
b) **Batteries:** External/internal UPS battery packs and Laptop/MacBook internal batteries.
c) **Physical & Environmental Damage:** Damage resulting from physical drops, fire, liquid spills/ingress, burglary, power surges, or Acts of God.
d) **Unauthorized Tampering:** Damage resulting from unapproved third-party repairs or unauthorized physical alterations.
e) **Major Structural Cabling:** Full building re-cabling or civil trunking projects.
f) **Cables & Connectors:** All power supply cables (excluding Power adapters), display cables (VGA/ HDMI), Printer data cables, RJ-45 Connectors, Network Cables and I/O.

7. PENALTY CLAUSE FOR NON-PERFORMANCE

7.1 SLA Breach Penalty Matrix: Penalties for SLA defaults, delays, or attendance breaches shall be calculated and deducted directly from subsequent quarterly invoice payments:

Default Category	SLA / Standard Requirement	Applicable Penalty Rate
Late Arrival (RE)	Maximum 4 late arrivals or early going (up to 30 mins each) allowed per month	₹100 per instance starting from the 5th breach onwards
Half-Day Absence	Unauthorized absence for half day (without equal substitute)	₹250 per half-day instance
Full-Day Absence	Unannounced full-day absence (without equal substitute)	₹500 per day absent
On-Call Visit Delay	Arrival within 4 working hours of logging ticket	₹100 per hour of delay starting from the 5th working hour post-ticket generation.
OS / Software Delay	Resolution within 16 working hours (Jai Singh Road) or 20 working hours (Other Campuses)	₹100 per additional 4 working hours of delay per unresolved issue.

Critical Hardware Standby Delay	Standby unit within 8 working hours (Jai Singh Road) or 12 working hours (Other Campuses)	₹250 per day per unit until standby or original item is restored
Non-Critical Standby Delay	Standby unit within 8 working hours (Jai Singh Road) or 12 working hours (Other Campuses)	₹100 per day per unit until standby or original item is restored
Consumables Non-availability Delay	As per **Clause 6** Consumable list	Nil (Item to be provided by NDYMCA)

7.2 Maximum Penalty Cap: Notwithstanding anything to the contrary contained in this Agreement, the total cumulative penalties calculated and deducted under Clause 7.1 for any given quarter shall not exceed ten per cent (10%) of the total quarterly invoice value (excluding applicable statutory taxes) for the respective quarter.

8. DATA PRIVACY, CONFIDENTIALITY & CYBER LIABILITY

8.1 Confidentiality and Data Security: The Service Provider and its Resident Engineers shall maintain absolute confidentiality regarding all network architecture, server credentials, database records, administrative communications, software, system configurations, security protocols, and any other confidential information of New Delhi YMCA (NDYMCA) accessed, received, generated, or handled during the performance of the Agreement. This obligation shall continue even after expiry or termination of the Agreement.

8.2 Prohibition on Extraction and Unauthorized Access: The Service Provider and its personnel shall not, without **prior written authorization from NDYMCA**, copy, download, extract, store, transfer, transmit, disclose, alter, delete, or otherwise use any NDYMCA files, data, credentials, records, or system configurations except to the extent strictly necessary for performing the authorized services. The Service Provider shall not share credentials, install unauthorized software, create unauthorized accounts, or access any system or data beyond the scope of its authorization. Any data temporarily accessed or stored for authorized service purposes shall be protected against unauthorized access and shall be securely deleted or returned, as directed by NDYMCA, upon completion of the relevant task or termination of the Agreement.

8.3 Legal Consequence: Any breach of data privacy or cyber security protocols shall constitute a material default, resulting in immediate contract termination, forfeiture of pending dues, and legal action under the Information Technology Act, 2000, and applicable Indian laws.

9. INDEMNITY & SERVICE PROVIDER RESPONSIBILITIES

9.1 The Service Provider shall, at its own cost, fully indemnify, defend, and hold harmless New Delhi YMCA, its management, officers, employees, and authorized representatives against all losses, claims, fines, liabilities, and legal fees arising from:

- **Occupational Injury/Accident:** Any injury, disability, illness or death involving the service provider/vendor personnel or Resident Engineers, agents etc. on NDYMCA premises.
- **Statutory & Labour Non-Compliance:** Any failure by the Service Provider to comply with applicable labour, employment, social security, minimum wage, Employee Provident Fund (EPF), Employee State Insurance (ESI), workplace safety, and other statutory requirements relating to its personnel, including any resulting claims, assessments, penalties, or liabilities imposed on NDYMCA due to such failure, to the extent legally recoverable.

9.2 Independent Status: The Service Provider shall remain solely responsible for employing, appointing, supervising, paying, and managing its Resident Engineers and other personnel, including their salaries, wages, leave, benefits, insurance, statutory contributions, and other employment-related obligations. Nothing in this Agreement shall, by itself, create an employer-employee relationship between NDYMCA and the Service Provider's personnel. The Service Provider shall ensure that its personnel do not claim employment benefits from NDYMCA merely by reason of their deployment under this Agreement, without prejudice to any rights or status that may arise under applicable law based on the actual facts and circumstances.

9.3 Negligent Equipment Damage: The Service Provider shall be responsible for any loss of or damage to NDYMCA's computers, peripherals, network equipment, servers, printers, UPS systems, audio-visual equipment, furniture, or other property caused by the negligence, improper handling, unauthorized acts, or wilful misconduct of the Service Provider or its personnel. The Service Provider shall, at NDYMCA's option, repair the damaged property to NDYMCA's satisfaction or replace it with equipment of equivalent or better specifications, without any additional cost to NDYMCA. Such repair or replacement shall be completed within the reasonable period specified by NDYMCA, having regard to the nature and urgency of the damage.

10. COMMERCIAL TERMS & PAYMENT SCHEDULE

10.1 Total Annual Contract Value: ₹_____ (Rupees _____ Only) per annum, plus applicable statutory taxes, which shall be payable subject to submission of valid tax invoices and compliance with applicable law.

10.2 Payment Frequency and Schedule: The annual contract value shall be payable in four (4) equal quarterly instalments, each equivalent to twenty-five per cent (25%) of the

annual contract value, subject to satisfactory performance, submission of a valid tax invoice and the applicable quarterly performance report, verification by NDYMCA, and deductions, if any, under Clause 7.

- **1st Quarter Payment (25%):** Payable in the 2nd week of the 4th month, after completion and verification of the first quarter's services.
- **2nd Quarter Payment (25%):** Payable in the 2nd week of the 7th month, after completion and verification of the second quarter's services.
- **3rd Quarter Payment (25%):** Payable in the 2nd week of the 10th month, after completion and verification of the third quarter's services.
- **4th Quarter Payment (25%):** Payable in the 4th week of the 12th month, after completion and verification of the fourth quarter's services.

10.3 Invoice Settlement: All invoices shall be subject to verification of the services rendered, review of the applicable performance reports, and written certification by NDYMCA's designated IT Head or other authorized representative. NDYMCA shall be entitled to deduct applicable penalties under Clause 7.1 (subject to the maximum cap in Clause 7.2) and adjust any other amounts lawfully recoverable under this Agreement. Any disputed amount may be withheld pending resolution of the dispute, subject to applicable law; undisputed amounts shall be dealt with in accordance with the agreed payment terms. Submission of an invoice alone shall not constitute acceptance of the services or automatic approval for payment.

10.4 No Additional Charges: The Service Provider shall not claim any additional amount for services, manpower, labour, travel, transportation, or other expenses included in the agreed scope of work. Any charge for an item expressly excluded under Clause 6 shall be payable only if NDYMCA has approved it in writing in advance and the Service Provider has submitted a valid invoice for the approved amount.

11. DURATION, TERMINATION & JURISDICTION

11.1 Contract Period: This Agreement shall remain valid for a period of one (1) year, commencing on the date of execution by both parties (the "Effective Date") and expiring on the first anniversary thereof, unless terminated earlier in accordance with the provisions of this Agreement. Any extension or renewal shall be valid only if agreed upon in writing by NDYMCA and the Service Provider.

11.2 Termination Clause: NDYMCA shall have the right to terminate this Agreement, in whole or in part, by giving thirty (30) days' prior written notice to the Service Provider, without assigning any reason. NDYMCA may terminate this Agreement with immediate effect by written notice in the event of a material breach by the Service Provider, repeated failure to meet the prescribed service levels, unauthorized access to or disclosure of NDYMCA's data, fraud, gross negligence, abandonment of services, or failure to remedy a breach within the period specified in a written notice issued by NDYMCA, where such breach is capable of remedy.

11.3 Pro-rata Refund: Upon expiry or early termination of this Agreement, the Service Provider shall immediately refund any advance payment attributable to the unexpired period for which services have not been rendered, calculated on a pro-rata basis, within fifteen (15) days of the effective date of termination, after adjustment of amounts lawfully due and payable.

11.4 Governing Law & Dispute Resolution: This Agreement shall be governed by and construed in accordance with the laws of India. The Parties shall first attempt to resolve disputes amicably through good-faith discussions. If a dispute remains unresolved, it shall be subject to the exclusive jurisdiction of the competent courts at New Delhi only.

11.5 Handover and Continuity of Services: Upon expiry or termination, the Service Provider shall cooperate with NDYMCA and any replacement service provider to ensure an orderly transition and shall not withhold NDYMCA's data, credentials, records, or property on account of any payment dispute. The Service Provider shall return or securely delete NDYMCA's confidential information as directed by NDYMCA, subject to any mandatory legal retention requirements.

ACCEPTANCE & FORMAL EXECUTION

VENDOR UNDERTAKING FOR PROVIDING COMPUTER SYSTEM AMC

1. Technical Manpower & Qualifications

a) **Deployment Capacity:** We undertake to deploy **1 System Administrator** (4–5 years of experience, holding a CS/IT degree/diploma and relevant certifications) and **2 IT Support Engineers** (2–3 years of experience) full-time on-site.

b) **Absence & Replacement:** We guarantee a qualified temporary replacement on the same day in case of an engineer's absence, and a permanent replacement within 48 hours if requested by NDYMCA due to unsatisfactory performance.

2. Ticketing System & Infrastructure

a) **Call Logging Portal:** We maintain a fully functional web/mobile ticketing system supporting ticket generation, real-time SLA tracking, and automated monthly performance reporting for NDYMCA.

b) **Coverage:** We confirm seamless, full-service coverage across all **8 NDYMCA facilities** without imposing any additional charges for transport, conveyance, or technician visits.

3. Service Level Agreements (SLA) & Standby Hardware

a) **Standby Availability:** We undertake to provide temporary standby hardware within **8 working hours** for the Main Campus and **12 working hours** for Other Campuses upon critical equipment failure.

b) **Replacement Quality:** We guarantee that all replacement parts and hardware provided will be genuine, OEM-equivalent, and manufactured within the last 3 years.

4. Compliance & Commercial Terms

a) **Statutory Compliance:** We certify that all engineers deployed at NDYMCA premises comply fully with EPF, ESI, and Minimum Wages regulations. We submit all required EPF and ESI challans on a timely basis.

b) **Penalty Framework:** We explicitly accept the tender's penalty structure (including ₹500/day for unannounced engineer absence and ₹250/day for standby hardware delays, capped at 10% per quarter).

c) **Payment Schedule:** We accept the standard **25% quarterly post-service** payment schedule upon satisfactory performance review.

d) **Quarterly Inventory Verification:** We have provided an itemized price proposal and agree to pro-rata invoice adjustments for equipment additions and deletions following each quarterly inventory audit.

Vendor Undertaking Statement: We confirm that all statements made above are true and correct, and we unequivocally agree to meet all SLAs, technical scope of work, statutory requirements, and penalty conditions specified in the NDYMCA AMC Tender Document.
