REPORT OF THE PRESIDENT

Dear Members,

Greeting to you in the name of our Lord & Saviour Jesus Christ!

It gives me immense pleasure and satisfaction to present the Annual Report of the New Delhi YMCA for the year 2023-24. I thank God Almighty for His continued grace and favour on our great movement, without which we will reach nowhere.

Each year comes with its challenges and opportunities and this year was no different. I thank my colleagues in the Board of Directors whose collective wisdom helped us in arriving at decisions that have impacted the organization in a positive manner. Together we will continue to focus on the mandate God has given us to serve the community and impact lives.

I also thank you Members for your wonderful contribution in the decision-making process through various Committees and also for your participation in the programmes and activities throughout the year. I look forward to meeting you in the forthcoming Annual General Meeting. It will be an opportunity to share ideas and vision for the growth and development of our association which is dear to each and every one of us.

Last year we achieved a record turnover of Rs 41.29 crores and it gives me immense pleasure to announce that by the grace of God we have outdone ourselves and achieved a turnover of Rs 44.67 crore which is a landmark achievement and the highest ever.

I take this opportunity to congratulate all the stakeholders including the Board, New Delhi YMCA members, and especially the Staff Team led by the General Secretary & CEO, beneficiaries and all friends and well-wishers on this wonderful achievement. This gives me immense joy and I share it with all concerned.

I hope and pray that God will continue to bless our great movement and each and every one of us as we continue to serve Him, who deserves all the glory and honour, and our fellow beings for the extension of His kingdom on earth.

In conclusion, I leave you with this verse from the Holy Scriptures:

But they that wait upon the Lord shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint. Isaiah 40:31

REPORT OF THE GENERAL SECRETARY & CEO

Fear not, for I am with you; be not dismayed, for I am your God; I will strengthen you, I will help you, I will uphold you with my righteous right hand. - Isaiah 41:10

Dear Members of the New Delhi YMCA,

It is with immense joy and gratitude that I present to you the Annual Report for the New Delhi YMCA for the year 2023 - 2024. This report encapsulates our achievements, challenges, and the remarkable journey we have undertaken together in our mission to serve the community and foster holistic development.

The past year has been a testament to our resilience and commitment to our core values of caring, honesty, respect and responsibility. Despite the various challenges that the New Delhi faced during the year, we have remained steadfast in our mission to uplift and empower individuals across our community.

Our youth programs have continued to thrive, adapting to new norms and leveraging technology to ensure uninterrupted engagement. The educational programs and working with the underprivileged children have reached more young minds than ever before, providing them with the tools and knowledge to navigate through these unprecedented times. The enthusiasm and resilience displayed by our youth participants in various programs organized by New Delhi YMCA throughout the year have been truly inspiring.

Community service remains at the heart of our endeavors. This year, the numbers of beneficiaries at our five Community Development Centers were able to provide services to the families with the initiatives aimed at addressing urgent community needs, including awareness generation programs. Our dedicated volunteers and staff have worked tirelessly, often going above and beyond to ensure that no one in our community is left behind. Their selfless service has been a beacon of hope and solidarity.

Educational Programs have been a cornerstone of our impact this year. We have successfully conducted numerous courses equipping individuals with essential skills and knowledge. The success stories of our students, who have overcome challenges and achieved their goals, are a source of immense pride for all of us at the New Delhi YMCA.

Financially, the New Delhi YMCA has navigated through the complexities of the year with prudence and strategic planning. Our fundraising efforts have been fruitful, thanks to the generosity of our donors and the unwavering support of our partners. These funds have enabled us to sustain and expand our programs, ensuring that we continue to make a meaningful impact in the community.

Looking ahead, we are filled with optimism and determination. Our goals for the coming year include expanding our reach, enhancing our programs, and strengthening our communities. We are committed to fostering an inclusive environment where everyone feels valued and empowered.

In conclusion, I extend my heartfelt thanks to our President, Office Bearers, Board of Directors, members and staff of the New Delhi YMCA. Your unwavering support, dedication, and belief in our mission have been the driving force behind our success. Together, we will continue to build a stronger, healthier, and more inclusive community.

Thank you for being an integral part of the New Delhi YMCA.

God Bless the New Delhi YMCA.

Warm regards,

ACADEMICS

"The philosophy of the school room of one generation, will be the philosophy of the government in the next."

- Abraham Lincoln

Education is the most powerful weapon which one can use to change the world, keeping this philosophy in mind, our school was established in April 1975, under the aegis of the New Delhi YMCA. In the beginning it was a primary school mainly meant for the especially abled children. The focus was on the underprivileged and the specially challenged children. Gradually the need arose to start a formal school for the children, but it still continued to be a primary school.

Starting with the Kindergarten section for the specially abled students with a few students and a few staff members, the school has undergone immense changes during these few years and now the student strength has increased manifold.

The academic session 2023 -24 introduced classes X and XI with two streams i.e. commerce and arts. The activity-based curriculum is being adopted and executed by our dedicated team of teachers make learning fun and entertaining. Different activities and competitions are being conducted for overall development of our children from base level.

Achieving academic excellence is at the heart of our endeavour as educators. Academic achievements reflect a demonstrated ability to perform to the best of one's ability by developing one's intellectual potentials and skills with diligence and ardour. Our students irrespective of classes have done wonderfully well in the academic front with enthusiasm and vigour. The recognition and consequent affiliation from the CBSE was a shot in the arm. Everyone is very keen to perform whole heartedly.

This was evident in the annual examination results of the school and very specially the board results. Students of Class X, beating all odds, brought in a splendid board result to hold the YPS flag high. We had 40 students appearing for the board examination and 39 out 40 students received first divisions and one high second division.

The Result in detail:

RESULT CLASS X

SL No	YEAR	NO OF REGISTERED STUDENTS	NO. OF STUDENTS PASSED	PASS PERCENTAGE	REMARKS
1	2023 -24	40	40	CENT PERCENTAGE (100%)	1 ST BATCH

Breakup of the result

SL No	50 – 60	60 – 70	70 – 80	80 – 90	90 above
1	01	06	10	16	7

The school achieved commendable position in academics because of the following reasons:

- The school caters to the holistic development of its students.
- Emphasis is given to curriculum, value education and latent talent development.
- English is given utmost importance.
- Computer aided and smart learning is encouraged from Nursery class onwards.
- Library classes are incorporated into the timetable of all classes to develop reading habits.
- Science practical classes are integrated in the timetable for classes VI to X.
- Additional support is provided to the needy students in the form of special classes.
- Individual attention for every child by the teacher and mentors.
- We encourage group learning to build up the team spirit among the students.

OLYMPIADS, QUIZ, COMPETITIONS & CELEBRATIONS:

“The quality of your thinking, determines the quality of your mind.”

Various programs and participation in Science, Mathematics, English, Social Science and General Knowledge itself is the biggest competition where a student competes to outshine others. It infuses a healthy competitive spirit through reward based assessment.

YMCA Public School, Nizamuddin, incorporates various quiz competitions in subjects like Science, Mathematics, General Knowledge, and other language subjects to encourage all-round development of the students.

Our school has done exceptionally well in most of the Olympiads and brought laurels to the school. 10 students became rank holders in the international level and have been awarded with medals and cash prizes. This academic year we have received tremendous support and participation from the students and almost 900 students have participated in various Olympiads. Out of these, 99 students received gold medals and nearly the same number moved to the second round and qualified for medals and trophies.

English Elocution:

Elocution refers to the skill of clear and distinct speech is highly important for students, therefore an elocution competition was organised by the Cultural Committee of YPS. It not only broadens the speaking skills of the children, but also makes them research and be aware of issues and happenings around the world. 60 students from classes VI–XI participated.

The competition was judged by Ms. Arthie Daniel and Mr. Dona Chako under the supervision of Ms. Neelima Ashish. Students spoke of technology and AI. An activist side of the students was visible as issues of the Manipur violence were also brought up. Feminism, a greatly relevant topic in today's socio-political sphere was also spoken about. They were judged on various criteria such as clarity, presentation, creativity, and originality. This competition inculcated articulation skills among the students and brought confidence to those who would have been previously hesitant to speak. It provided a safe space for children to speak about whatever they wanted, and the competitive spirit urged them to better themselves.

Poster Making and Slogan Writing:

The school organized "*Poster making competition*" (for classes I to V) and "*Slogan writing competition*" (for classes VI to X) on 15 April, 2023 on the topic "*Cleanliness & Swachta*". YMCA Public School organized a vibrant and creative Rangoli Competition for the students of classes VI to XI. The event aimed to foster creativity, teamwork, and cultural appreciation among the students. The competition was held on 29 August 2023 and showcased the artistic talents of our young learners. Students from different houses enthusiastically participated in the event. Each house was given a unique theme to work on, resulting in a diverse and colourful array of rangoli designs: Blue house chose the theme of 'Flowers' and created a magnificent rangoli featuring intricate floral patterns. Their use of vibrant colours and attention to detail left the audience in awe. Red House taking on the theme of 'Birds,' showcased their creativity. Their design featured colourful birds in flight, capturing the essence of freedom and beauty. Green House embarked on a cosmic journey with the theme 'Chandrayaan.' They depicted India's lunar exploration mission through a celestial and outer space themed rangoli that impressed everyone with its intricacy. Yellow House opted for an 'Attractive Design' theme, and their rangoli was a mesmerizing fusion of various patterns and shapes, reflecting the versatility of their creative abilities.

The success of the Christmas nativity play was not only attributed to the efforts of the special children but also to the unwavering support of the community. The Nativity play served as a poignant reminder that the holiday season is about compassion, acceptance, and the joy that comes from sharing the stage of life with those who may navigate it differently. In conclusion, the Christmas Nativity play performed by special children was a heartwarming and inspiring event that celebrated the true spirit of the season. Annexure "A" to the Independent Auditors' Report

(Referred to in Paragraph 1(f) under 'Report on Other Legal and Regulatory requirements' of our report on even date)

Report on the Internal Financial Controls over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Act

We have audited the internal financial controls over financial reporting of the Company as of March 31, 2024 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') and the Standards on Auditing, as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Continuation Sheet

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.
